## EDUCATION

---

**Galgotias College Of Engineering and Technology**  
Master Of Computer Application- SGPA (1st sem) : 7.43

Aug. 2024- July 2026  
Greater Noida, Uttar Pradesh

**Babasaheb Bhimrao Ambedkar Bihar University, Muzaffarpur**  
Bachelor of Computer Application - CGPA : 8.3

Nov. 2020- Dec. 2023  
Muzaffarpur, Bihar

## TECHNICAL SKILLS

---

**Programming:** Java, JavaScript, SQL  
**Frontend:** React.js, HTML, CSS, GSAP  
**Concepts:** Data Structures, OOPs  
**Tools:** Git, GitHub

## PROJECT

---

### AI Chat Application

**Self Project — 2025 — React, WebLLM, WebGPU, SCSS**

- Built a real-time AI chat interface using React and WebLLM, enabling serverless, local LLM conversations.
- Integrated WebGPU for client-side inference, achieving ~30% faster response time compared to CPU-based fallback.
- Designed a modern UI using SCSS with theme support and seamless user/assistant chat experience.
- Eliminated backend dependency, allowing 100% offline functionality and improved performance.
- Tested successfully in modern browsers with low resource usage, maintaining performance even on budget laptops.

### Personal Portfolio Website

**Self Project — 2025 — HTML, CSS, GSAP**

- Developed a responsive and animated personal portfolio using HTML, CSS, and GSAP.
- Implemented scroll-triggered animations, hover effects, and smooth transitions to enhance user experience.
- Showcased technical skills, projects, and contact details in a clean, single-page professional layout.
- Designed with accessibility best practices, ensuring keyboard navigation and color contrast for visually impaired users.
- Deployed the site using GitHub Pages, optimized for mobile and desktop views.[\[Github link\]](#)

### Educational Website

**Team Project — 2023 — HTML, CSS, JavaScript**

- Collaborated with a 3-member team to build a multi-page educational website with sections for courses, contact, and information.
- Designed and implemented responsive layouts using CSS Flexbox/Grid for optimal viewing on all devices.
- Integrated interactive elements like search filters, dynamic forms, and navigable menus for better usability.
- Improved team workflow by using Git and GitHub for version control and collaborative development.

## CERTIFICATIONS

---

- Deloitte Technology Job Simulation — August 25th, 2025 [\[View Certificate\]](#)
- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate — October 01, 2025 [\[View Certificate\]](#)
- Oracle Cloud Infrastructure 2025 Certified Generative AI Professional — October 03, 2025 [\[View Certificate\]](#)

## ACHIEVEMENTS OR AWARDS

---

- Technical Member at Enthiran Club in Galgotias College.
